

It's been a quiet year!!

Our request to have a stand at the 'new' Balloon Festival held at the Billing Aquadrome was turned down and so we thought it would be a really empty year. But our application for a stand at the much smaller Umbrella Fair was accepted so we did have a witness for one afternoon on the Racecourse. It was a worthwhile activity with several good conversations held and considerable literature given out (see our August PL).

Our expenses for the year have been a lot lower and as we knew this we did let people know so that they could consider directing their gifts elsewhere.

We must apologise for not issuing a prayer letter sooner but the lack of activity has perhaps lulled our brains into a state of torpor.

A summary of our accounts for this year are included at the end of this letter. If you want any more details on them please do not hesitate to contact Wyn Williams.

Thank you

May we take this opportunity to thank you again for your prayer support throughout 2009. We trust that you will know much of God's rich blessing in your service for Him as we await the coming again of our Lord and Saviour.

2010???

As we prepare this letter the Borough Council has announced that it is planning to hold the Balloon Festival this year. The venue will again be Billing Aquadrome. We will endeavour to apply for a stand but leave it with the Lord to open the door if this is His will. Please **PRAY** that we might know His leading in this.

As regards the Umbrella Fair nothing has been announced as yet and is unlikely to be until later on in the year.

Please **PRAY** with us that there will be a witness at at least one location this year.
